

LEARNING OBJECTIVES

3-19-19

DESIRED OUTCOMES

At the end of the presentation, attendees will be able to:

- recognize signs and symptoms of RA, take a careful, thorough history & physical, order appropriate lab tests, make the differential diagnosis.
- appropriately manage RA according to best practice.
- prepare to assess cultural diversity issues in risk, incidence, prevalence, disease burden, or mortality associated with RA and/or cultural disparities in access, or less adherence to treatment regimens.
